

Farmers, Take Notice.

I offer for sale my Holstein bull, Sir Clothilda Duke, registered No. 28147, 4 years old, will weigh about 1700 pounds. Sold for no fault. I cannot use him any longer with my herd. He is exceptionally well bred; no better milk and butter bull in the Southwest. I also offer young bulls at reasonable prices. Every farmer should have a first-class butter and milk bull on his farm, and here is an opportunity to purchase fine stock at farmers' prices. THOS. GAINS, Supt. Fermanagh Stock Farm, 1 mile east of Arcadia, Mo.

The Best Prescription for Malaria

Chills and Fever is a bottle of Grove's Tasteless Chili Tonic. It is simply iron and Quinine in a tasteless form. No Cure, No pay. Price, 50c.

Referring to the statement showing the enormous profits of the steel trust, the Chicago Record-Herald says: "The one important tale of the statement is the tale of a virtual monopoly, which is coming more and more to dominate various lines of trade, and which represents a consolidated interest that is inimical to the people through the stifling of competition and the acquisition of a concentrated power that may be felt in National and State politics as well as in business." And yet the Republican Attorney General reported that it was not the part of wisdom to begin proceedings against this monopoly; and this consolidated interest that is inimical to the people makes liberal contributions to the Republican campaign fund and every suggestion made that the shelter which this monopoly finds in the tariff be removed is met by prompt and bitter protest in Republican circles.—The Commoner.

Startling, But True.

"If every one knew what a grand medicine Dr. King's New Life Pills is," writes D. H. Turner, Dempseytown, Pa., "you'd sell all you have in a day. Two weeks' use has made a new man of me." Infallible for constipation, stomach and liver troubles. 25c at Arcadia Valley Drug Store.

Mrs. Fred Unrath,
President Country Club, Benton Harbor, Mich.

"After my first baby was born I did not seem to regain my strength although the doctor gave me a tonic which he considered very superior, but instead of getting better I grew weaker every day. My husband insisted that I take Wine of Cardui for a week and see what it would do for me. I did take the medicine and was very grateful to find my strength and health slowly returning. In two weeks I was out of bed and in a month I was able to take up my usual duties. I am very enthusiastic in its praise."

Wine of Cardui reinforces the organs of generation for the ordeal of pregnancy and childbirth. It prevents miscarriage. No woman who takes Wine of Cardui need fear the coming of her child. If Mrs. Unrath had taken Wine of Cardui before her baby came she would not have been weakened as she was. Her rapid recovery should commend this great remedy to every expectant mother. Wine of Cardui regulates the menstrual flow.
